

November 2016

Dear Students of Tile Hill Wood School & Woodlands Academy,

Friday November 18th is the time for us all to think about children that perhaps face challenging circumstances in their lives.

They may have a disability to cope with or a parent to look after. They may live in poverty with the worry of where their next meal may come from. They may, for whatever reason, live on the streets and have to look for shelter each night. They may be alone without the comfort and protection of a family to support them.

There are many reasons why a child may need help and this is why we dedicate this day to raise our awareness of their plight. Friday 18th November is **children in need** day.

I hope you will all join in with spirit of Children in need by wearing **non-uniform**.

There is, of course, a 'fine' of £1 for wearing non-uniform, a '**spotty theme**' please. There are other activities going on including a cake sale, raffles and black-out cards. All proceeds going to children in need. Also if you have any uniform you have grown out of etc, please bring that in for our shop to help our own children in need.

Let us use this day to, not only raise some much needed funds, but remember the reasons why we are doing it.

Thank you

Mrs G O'Connor
Headteacher
