Dear Parents/Carers

### **CYCLING TO AND FROM SCHOOL**

Following an incident after school yesterday, I am asking for your support in talking to your child about their safety, and the safety of other road users, whilst riding their bicycles to and from school.

Luckily nobody was hurt, but property was damaged as a car swerved to miss a student who was riding their bike very dangerously.

We will be talking to students and making it very clear that riding in the middle of the road, doing 'wheelies' and any other dangerous behaviour will not be tolerated, and will result in them not being able to ride their bikes to school.

We appreciate your continued support in keeping our students safe on their way to and from school.

Sincerely

G O'Connor  
Headteacher
