Art and Design BTEC

What Will You Do?
Students will develop their work in response to a given Scenario. The design briefs have a close link to the world of work and make the learning relevant. Students will be given clear guidance to complete each section of the task and build their skills as the course progresses.

The course will be made up of 4 units using both Art and Photography skills.

1. Introduction to Specialist Pathways in Art and Design.
2. Creative Project in Art and Design.
3. Communicating ideas in 2D.
4. Investigating Contextual References in Art and Design.

Assessment Details
Each Unit is assessed internally and externally verified by Edexcel. Students can gain a Level 1, a Level 2 Pass, a Level 2 Merit, or a Level 2 Distinction.

75% of marks are awarded for coursework, assessed and shared with students as the course progresses.

25% of marks are an externally set exam at the end of the course, marked and moderated by Edexcel.

This course will suit students who enjoy producing artwork for a purpose and being taken through each step at a time.

Each Unit is assessed internally and externally verified by Edexcel.

Is BTEC Art and Design for you?

Do you enjoy producing artistic pieces of work?
Do you want to continue producing exciting art work and develop artistic skills to a high standard?
Do you want to find out about how other artists produced their work? Will you enjoy looking at their paintings and working in their style?
Will you have the patience to try out new things, even though you might not know what the final result will be?
Can you work independently, work to a deadline and follow clear guidelines to complete the scenario?
