

Dear Parents/Carers

We are delighted to announce the official launch of the College system which will take place after the October half term break.

The aim of this system will be to foster team spirit, leadership, responsibility, care and empathy for others, charitable giving and of course, a strong sense of healthy competition. Each tutor group will be attached to a College and this will be announced during the College assemblies which will run from Tuesday 31st October until Friday 3rd November. Each half term the pupils will get the opportunity to participate in a variety of College competitions which will cover every type of interest, from art to drama and from music to sport. Participation will build up points for their College.

Staff College Leaders and Student College Leaders have been appointed and will be instrumental in encouraging all students to be involved. Below are the names and emblems for each College.

As part of our consultation period, and to gather the views of all our stakeholders we are conducting a series of student voice activities. We would welcome your views via the following link to the parent voice Google survey. Please note, the closing date is Friday 6th October.

I hope you share my excitement in welcoming this new initiative.

Yours sincerely

Gina O'Connor
Headteacher
