End of Year 9 Progress Review Day

Dear Parents/Carers,

As you are aware your son/daughter is nearing the end of the first year in their GCSE courses.

We want to ensure that all our current Year 9 students are more clearly focused for their GCSE courses and that you as parents/carers are fully aware of the requirements of the GCSE examinations and the support that is needed to ensure your son/daughter is successful.

As parents/carers you play a key role in supporting your son/daughter's education. It is well documented that children whose parents/carers work together with school in supporting their education are more successful and achieve the best possible grades.

To support you and your son/daughter, we will be holding a Progress Review Day on **Thursday 18th July 2019**. You are invited to attend a meeting with your son/daughter's tutor to discuss their progress. At this meeting the end of year examination results will be available alongside GCSE targets and an overview of their individual progress from this academic year. In addition there will be presentations to support you in your understanding of the GCSE examinations and provide you with information on how to support your son/daughter.

Alongside your son/daughter's tutor there will be representatives from the Personalised Learning Centre, Careers Advice and Work-related Learning as well as the Year office team; Mrs Palmer, Mrs Fenn and Mr Richter.

On Thursday 18th July, your son/daughter will be required to come into school with you for the appointment with their tutor. For the remainder of the day they will be required to remain at home. There will be a Maths and English task for them to complete to be handed in on the next day. Appointments will be available from 1pm until 7pm.

Yours sincerely,

Miss K Weston
