Summary

This policy summarises West Coventry Academy's approach to storing and issuing certificates.

Collecting Certificates

For exams held in summer certificates usually arrive during November of that year. Once they are checked and processed they are available for collection from our main reception for 12 months. You may be asked to provide ID to collect these.

Reception is usually open from 8:00am to 3:30pm during term time, but please check if you are unsure before making the journey. This is especially true in unusual circumstances such as bad weather or national lockdowns.

Checking Certificates

On collection, you should carefully check that your personal details (name, date of birth, etc.) are correct and that the correct final grade(s) issued to you is/are shown. You will be required to sign that you have collected your certificates and confirm they are correct.

Candidates should collect their certificates themselves. If you are unable to collect them yourselves you may give written permission to another person to collect them on your behalf, such as:

*I give permission for my representative **named person** to collect certificates on my behalf. I confirm that my representative will provide photographic ID on collection and will sign to confirm collection and that my personal details and grades are correct*

Uncollected Certificates

JCQ policy states that certificates should be kept a minimum of 12 months after which they are to be destroyed by the centre. However, West Coventry Academy understands that this may not be ideal and endeavours to make certificates available for longer than 12 months, but no longer than 5 years.

Please contact the school in advanced if you are collecting your certificates after the 12 month period to confirm if we still hold your certificates.

Please note: after the initial 12 month period we will not be responsible for your certificates. After the 12 month period if there any issues with the certificates, or we no longer hold a copy, you be responsible to contact exam boards. See this website for replacing certificates: <https://www.gov.uk/replacement-exam-certificate>
