

Dear Parents/Carers

I would like to take this opportunity to congratulate our Year 13 students on their **resilience** over the past year. They have matured into **responsible, respectful** young adults, very much ready for their next stage, whether that be employment or university. They certainly have reached a special milestone!

It is a proud moment for us all and I would like to thank you for your support over their time here at West Coventry Academy.

Our Year 13s have an exciting future ahead of them. We know that there will undoubtedly be challenges along the way, but we have every confidence in them to approach these with determination and the skills to overcome them. We know that they are **ready to learn** from their experiences and very much look forward to hearing of their successes.

Wishing each and every one of our students the best of luck for their future.

Sincerely

Ana Neofitou  
Headteacher
