

Dear Parents/Carers,

As a parent of a year 5 child I know you will already be thinking about the most suitable secondary school for your son/daughter. As West Coventry Academy's Headteacher I am really excited to be able to announce plans for the school's Open Day on Saturday September 25<sup>th</sup> 2021 from 10.00am-12.00pm. There will be no requirement to book in advance.

# OPEN DAY

for prospective students and their  
parents/carers

Saturday 25th September 2021  
10.00am - 12:00pm

West Coventry Academy

This will be an opportunity to meet our staff and students, take a tour of our facilities and hear firsthand about the plans for the rebuild. There will be a whole host of facilities built with the needs of the 21<sup>st</sup> century curriculum in mind including extensive sports facilities, a new swimming pool, state of the art Theatre, Music and Performance studios, spectacular Art rooms, an expansive Library, new Sixth Form Wing and updated ICT infrastructure with interactive classrooms. You will see a series of artists impressions overleaf and although these may be subject to change, they will give you a flavour of the reason why we are so incredibly excited and feel this will be transformational for our school community and the life chances of our young people.
