

Dear Parents/Carers

I would like to take this opportunity to congratulate our Year 11 students on their conduct over the past half term. They have behaved sensibly and have shown a great deal of **resilience** in the way they have approached the challenges that they have been presented with this academic year. I am proud of their attitude towards their assessments, they have shown themselves to be **ready to learn** and it is heartening to hear the comments from staff across the school.

We are very much looking forward to seeing Year 11 for the Celebration Event on 24th June and I am aware Mrs Palmer has shared the details with you. If you need any further details please be in touch with the Year office. We do hope they join us for what will be very special milestone.

I would personally like to wish every single student the very best of luck as they move onto their next stage. Life is all about new opportunities and the chances it has to offer. I hope that they never let go of opportunities and are never afraid of taking new chances.

Thank you too for all your support over their time at the school. The partnership between home and school is fundamental to developing our young adults into **respectful** and **responsible** members of our community.

Sincerely

Ana Neofitou
Headteacher
