

## Face Mask Guidelines WCA

At WCA, we encourage staff and students to wear masks in communal areas. For example, corridors, stairwells, toilets, queue points etc. Face masks **MUST** be worn on public transport.

Any face masks worn by staff or students should be either:

- Disposable medical face masks or
- Plain black material face masks

If a teacher wishes to wear PPE for teaching, we urge them to wear a visor instead of a face mask to ensure students are able to pick up on non-verbal communication and to assist students with hearing difficulties.

How to wear a face mask safely:

- Disposable face masks must only be worn once.
- Once taken off they are no longer safe to use.
- If your mask is reusable then it should be stored in a sealed plastic bag until it has been washed.
- Clean face masks should be kept in sealed plastic bag for your journey home.

To wear a face mask correctly you need to:

- Wash your hands first.
- Make sure it covers your nose and your mouth and is fastened securely around your ears.
