

Monday 18th December, 2017

Dear Parent/Carer,

There will be a final ski trip parents meeting on **Monday 29th January 2018**. This will be a very informal and brief 5 minute meeting in the school crush hall by the theatre. You can come along any time between 4.30pm and 6.00pm.

You will be required to bring the following;

- 1) Your Childs passport & EHIC card
- 2) Your child's spending money. This must be in EURO'S and be in small denominations. (Please do not send in large notes!) It will need to be in an envelope with your child's name and tutor group written clearly on the front with the amount stated. They will need no more than 60 Euro's.
- 3) Any changes in your contact number details (new mobile phone number etc)
- 4) x2 spare inhalers if your son/daughter is an asthmatic. (Clearly labeled please)
- 5) Your son/ daughters spare medication if applicable. (Clearly labeled please)

At this meeting you will be given a final trip details sheet which will include the hotel address, an emergency contact number and times for departure from school etc.

If you are unable to attend this meeting then please send a representative who can provide all the necessary information and documents as it is important we have all our documentation completed in good time prior to our visit.

In addition, although you do not need to bring this with you to the parents evening, I would just like to make you aware that your son/ daughter will require some English Sterling for the outbound and inbound journey in case they want to buy any extra food and drink during any stops we make on the coach journey or whilst on the ferry.

During the course of the visit photos/video may be taken of students working on various activities. These may be used in publications, reports and/or other promotional media including the school website. Images may also be used for marketing purposes internally or externally and may be shared with appropriate organisations such as the local press or professional journals. I would be grateful if you would complete the section on the reply slip and return this to us at the meeting.

Ski fitness will also now be taking place and you can attend on any lunch time Tuesday - Friday in the fitness suite of a lunch time. We highly recommend that you should try and attend a session at least once a week as your fitness will be key while away.

If there are any further questions or queries please do not hesitate to contact me.

Yours sincerely,

Danielle Bengé
