

June 2017

Dear Parent/Carer,

All Year 8 students have a mini-choice about what subjects they wish to take in Year 9. Essentially the decision is whether they wish to continue with two languages or reduce down to one language.

**This is not their GCSE option process, this will still take place in year 9.**

All students will take the following subjects:

English, Maths, Science, History, Geography, PE, ICT and PSHE.

**The choices available to your son/daughter are detailed below.**

**1. Select one language that they currently study from the list below:**

- French
- German
- Japanese
- Spanish

*Strong linguists **will be** encouraged to consider continuing with two languages by selecting one from the list above and one from the table below.*

**2. Select a combination of subjects from the table below that add up to a total of five periods.**

Periods	Subject
2	Second Language (French, German, Japanese, Spanish)
2	Design Technology
1	Drama
1	Music
1	Art

All selections will be made on the Office365 email platform and links are available via school website and ShowMyHomework.

Login details for Office365 email: <studentusername>@westcoventryacademy.org

password is the same as what they use to access the school network

Selections need to be completed by **Monday 12<sup>th</sup> June.**

Yours faithfully
