Dear Parent/Carer

PROPOSED CHANGE TO WEST COVENTRY ACADEMY'S SCHOOL DAY

The Department for Education has announced that all schools should ensure their school day runs for a minimum of 32.5 hours per week, therefore, West Coventry Academy wishes to consult with parents/carers on a change to our school day. The change will increase the Academy's day by 15 minutes each day.

Current Academy day: 8:45am – 3.00pm
Proposed Academy day: 8:45am – 3.15pm

The proposed change to the day would commence in September 2022. The academic curriculum will remain unchanged with additional time at lunch to allow our students more time to access the school canteen.

Parents/carers may submit their feedback via <https://forms.office.com/r/E3ZEHREcDC> which will be open from Wednesday, 25th May to Friday, 10th June 2022.

Sincerely

Ana Neofitou
Headteacher
