

# Keep Doing Good with NCS

In an effort to get you some extra skills and give you the opportunity to help get your local communities back on their feet, National Citizen Service (NCS) will be running “Keep Doing Good”

NCS this summer will be a 2 week programme delivered across August in your community, where you will be in a team with other 15-17 year olds and guided by NCS staff to Keep Doing Good.

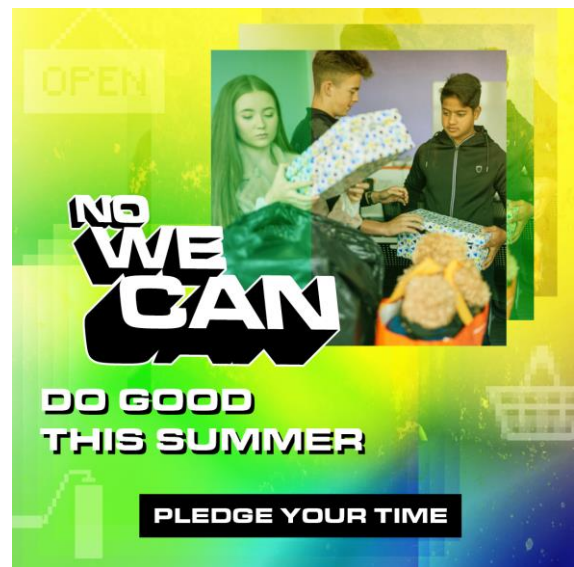

Week 1 will give you the opportunity to develop skills such as leadership, team work, presentation skills and the chance to plan your very own social action project. This will include workshops and activity sessions.

Week 2 will allow you to create and carry out your very own social action and volunteering project. Helping the community where it needs it the most.

## What are the benefits?

- It's free
- Gives you the chance to make new friends
- You can further develop skills that can be used for work and further education
- You can enhance your CV
- You can get your voice heard
- Make a difference in your local area
- You can volunteer your time to help others

It's an exciting opportunity and the best thing is...it's completely free. So if you're looking for a new challenge or a chance to get out the house and make a difference, visit [www.wearencs.com](http://www.wearencs.com) and register today! Don't worry this won't stop you from doing the Summer 2021 programme.

## Staying Connected

In the meantime you can stay involved through our NCS online hub **staying connected**. Staying connected is our online hub created especially for you. The hub contains content from life lessons to playlists; skills builders to creative inspiration; fun challenges to social action projects. The online hub can be found at the NCS website; <https://wearencs.com/staying-connected>.

We hope to see you in August on the **Keep Doing Good** programme, please register your interest at [www.wearencs.com](http://www.wearencs.com) and click on the green 'sign up' box at the bottom of the page.

Kind regards, Lewis, Grace and all at the NCS Team Coventry and Warwickshire.
