

Cambridge Technical Diploma: Fashion Transition Assignment

During your time on this Fashion course, you need to build your knowledge on Designers and Artist which will then contribute your portfolio work.

Please research 4 designers or artists that you like the work of and produce a presentation about their work. You will be presenting this presentation you create to the whole class in your first lesson in year 12. Below are some points to help you research and create your PowerPoint, feel free to add more if you wish to:

- **What have they designed?**
- **What were they inspired by?**
- **What techniques have they used to design that garment/s or product/s or sculptures?**
- **What do you like about their work?**
- **How does their work inspire you?**
